# The Global Scale of English

The Global Scale of English (GSE) is a standardized, granular scale that measures English language proficiency. Unlike some other frameworks that measure English proficiency in broad bands, the Global Scale of English identifies what a learner can do at each point on a scale from 10-90, across each of the four skills: listening, reading, speaking and writing.

The Global Scale of English and the learning objectives are rooted in the CEFR

More learning objectives across all four skills

Greater granularity

Four audience specific sets of learning objectives

Each learning objective has been rated by teachers

Academic research underpins the pedagogy of course material

Personalized learning through tailored learning objectives

A standardized and granular proficiency scale 10-90

A range of Learning Objectives for Adult Learners of General English, Academic English, Professional English and Young Learners

Blended learning and teaching materials, including teacher guides with GSE learning objectives covered per lesson

Low and high stakes assessment products delivering a GSE score, such as Progress, Placement and PTE Academic

For more information, visit [english.com/gse](https://english.com/gse)

# *The GSE Teacher Toolkit*

Find it on [english.com/gse](https://english.com/gse)

*With **Learning Objectives**,  
**Vocabulary** and **Grammar**,  
the GSE Teacher Toolkit is a  
comprehensive, **free** and  
**fully searchable** online tool.*

## ***The GSE Teacher Toolkit helps you:***

- Plan a curriculum, lesson or assessment
- Map existing materials to the GSE/CEFR or create new materials at the right level
- Create admin reports and give feedback

# *While you're changing lives,* we're with you every step of the way.

With so many changes in English practice, you might easily lose track of the insights and stories that could make a real difference to your teaching journey.

### Motivate to educate!

Imagine a powerful combination of the Disney stories and characters that children know and love, with practical activities rooted in solid educational principles. Children listen to stories, play classroom games, sing songs, discover links with their studies and the world around them, learn social values while communicating in English.

New English Adventure brings:

- characters from the latest Disney-Pixar films who encourage pupils to learn and remember
- English vocabulary and structures
- exciting and colourful cartoon stories which help revise new language as pupils follow the adventures of Mickey Mouse and his friends
- stimulating activities and memorable songs which cater for diverse educational needs
- a wide range of components which deliver motivating and varied lessons

## How to use these symbols

This key is designed to enable you to see, at-a-glance, important information about our courses and products.

On any product page, look for the icons that appear in the title bar that depict the delivery style, language and available levels for a course, as well as the expected range you can achieve on the GSE and CEFR.

---

### Measurement system

The range a product covers in the **Global Scale of English**.

The range a product covers in the **Common European Framework of Reference for Languages**.

The number indicates **how many levels** a product has.

---

### Languages

The product is available in **American English**.

The product is available in **British English**.

The product is available in **International English**.

---

### Type of product

**Print:** The course uses printed materials only, there are **no digital** assets.

**Digital:** The course features digital components only, such as **eText, ActiveTeach** or **MyEnglishLab**.

**Blended:** The course is available in print but has supporting digital elements such as **eText, ActiveTeach** and **MyEnglishLab**.

## How to use these symbols

This key is designed to enable you to see, at-a-glance, important information about our courses and products.

On any product page, look for the icons that appear in the title bar that depict the delivery style, language and available levels for a course, as well as the expected range you can achieve on the GSE and CEFR.

### Measurement system

The range a product covers in the **Global Scale of English**.

The range a product covers in the **Common European Framework of Reference for Languages**.

The number indicates **how many levels** a product has.

### Languages

The product is available in **American English**.

The product is available in **British English**.

The product is available in **International English**.

### Type of product

**Print:** The course uses printed materials only, there are **no digital** assets.

**Digital:** The course features digital components only, such as **eText, ActiveTeach** or **MyEnglishLab**.

**Blended:** The course is available in print but has supporting digital elements such as **eText, ActiveTeach** and **MyEnglishLab**.

## Speakout

1st Edition

**Antonia Clare, Frances Eales, Steve Oakes, JJ Wilson**

Developed in association with BBC Worldwide and BBC Learning English, Speakout brings the real world into your classroom.

With its authentic material from the BBC, Speakout exposes students to language as it is really used, giving them confidence to communicate. Lessons cover all four skills, grammar and vocabulary. Each unit ends with a lesson based around an extract from a BBC programme which provides a springboard for speaking and writing tasks. Street interview videos filmed by the BBC also give students access to authentic English.

"It's a very exciting time to be involved in learning a language because there is just so much out there. The challenge is how to make sense of it. People realise the internet is out there and there's lots of English on it but it's very, very difficult for a student to find their way through that information. So what we tried to do is guide them carefully, so that task becomes something manageable, do-able.

These are the kinds of skills people need nowadays and this is what people are doing – researching things on the internet, so the more we can connect the classroom material with the real world out there, the better."

Joan Saslow & Allen Ascher

The bestselling course that teaches the world English, now in its third edition.

Top Notch builds student confidence to communicate through an expanded speaking pedagogy and prepares students for academic work through the development of critical thinking skills and reading and listening strategies.

With a new, modern design and tools that make teaching more effective, the third edition will help you get the most out of your students.

### New Conversation Activator Video

This unique video component dramatizes all of the conversation models, demonstrating how to personalize and extend them, greatly increasing students' oral expression.

### New Pronunciation Coach Video

This video helps students achieve more accurate pronunciation. A video Pronunciation Coach demonstrates, clarifies and provides simple guided practice of each unit's pronunciation topic.

### New Grammar Practice Activities

Every grammar presentation now includes additional exercises, available in both printable and digital format.

**New Teacher ActiveTeach software** for in-class presentation, planning assessment and extra support includes:

**Digital Student Book** with interactive activities and instant access to audio, Conversation Activator Video, Pronunciation Coach Video, new Digital flash card player, Method's Handbook for professional development, detailed lesson plans, answer keys and audio/video scripts, ready-made achievement tests plus editable tests as well as extra worksheets and more.

**New Top Notch GO app** gives your students the flexibility to listen to the full audio programme outside the classroom whenever and wherever they want.

NorthStar's thought-provoking topics and authentic content stimulate and engage students intellectually, encouraging personal expression, critical thinking and language use outside the classroom. A variety of online assessments tied to learning outcomes allows teachers to individualise instruction and track student progress. The series is split into two strands:

**Reading and Writing** helps students become better writers, exposing them to explicit language forms and structures in a variety of contexts. Concise presentations and targeted practice build students' language proficiency.

**Listening and Speaking** reinforces explicit language skills, while pronunciation and speaking practice help students express their ideas better. Group projects inspire students to inquire further and use the language in the real world. Projects involving internet research help students build digital literacy skills.

The new **Interactive Student Book**, providing a fully blended experience, prepares students for academic success and digital literacy.

- All Student Book and MyEnglishLab activities report to the gradebook.
- Teachers can track student progress after every activity.
- Students get immediate results and take control of their learning.

# University Success

University Success is a course for English language learners transitioning to mainstream academic environments. Authentic content, including lectures and readings from Stanford University professors, is woven through all three strands providing intensive skill development.

The Oral Communication strand builds skills that prepare students to understand and process lengthy academic lectures, defend their ideas, utilize the text to present concepts, speak thoughtfully in discussions, and contribute to group projects.

**Skills include:**

- turn taking and active participation
- elaboration
- emphatic argumentation
- recognizing asides and digression

The Reading strand builds skills that prepare students to become fluent, automatic, and competent readers who can compete with native speakers.

**Skills include:**

- patterns of cohesion
- tolerating ambiguity
- recognising rhetoric
- skimming, scanning, and deeper reading

The Writing strand supports students through the writing process and advances them beyond the production of highly structured essays.

**Skills include:**

- developing a research question
- supporting claims and facts and opinions
- understanding satire and parody
- synthesizing information from multiple sources

## Contemporary Topics

4th Edition

GSE Global Scale of English	
Level 1	40–51
Level 2	48–61
Level 3	58–66

**Series Editor: Michael Rost**

Now in its fourth edition, Contemporary Topics expands on its highly respected approach to developing academic listening and study skills. Organized around realistic college lectures, the text guides learners through carefully sequenced activities in skills such as note-taking, focusing attention, intensive listening, and vocabulary building. It also helps students evaluate their interests and explore possible career paths.

- Students are exposed to core academic vocabulary.
- Collaborative activities, presentations and peer evaluations help students develop critical thinking skills
- Unit comprehension tests assess students' understanding of the lectures

### New to this edition:

- New subject areas, presented as one-on-one academic lectures, emphasize professional applications, such as software engineering, multimedia design, information technology, urban planning and social psychology.
- Learning outcomes listed at the start of each unit show students the unit's goals and what they will learn.
- New audio interviews with experts provide context for unit lectures.
- Bottom-up listening and pronunciation exercises emphasize important principles and improve realtime perception.
- An oral presentation activity, with preparation and delivery support, at the end of each unit includes the opportunity for peer evaluation.
- Proficiency assessments simulate the TOEFL-style test with short academic audio lectures and multiple-choice exams.
- **Essential Online Resources** include audio, video, and teacher materials (assessments, teaching notes, answer keys, audioscripts, presentation points, and more).

*Dr. Salem Aletani, English Language Center, Yanbu Industrial College*

## Lifestyle

### Vicki Hollett, Norman Whitby, Iwonna Dubicka, Margaret O'Keeffe, Irene Barrall, John Rogers

Lifestyle is designed to meet the everyday language requirements of people who need English for work, travel and socializing. As well as dealing with how people communicate at work, it also helps learners interact effectively outside of the work environment, enabling them to 'get things done' in a variety of situations.

**LONGMAN**

*Dictionaries*

*More than words*

**PEARSON**

# Why choose Longman dictionaries?

## **Easy to use and understand**

Our learner dictionaries use commonly used words to make understanding easy, whatever your level.

## **Improve communication skills**

Our learner dictionaries help you learn vocabulary and understand words in context.

## **Develop natural English**

Our learner dictionaries use definitions and include whole, authentic sentences to help you develop natural English.

# What makes Longman dictionaries better?

Why invest in a Longman dictionary?

---

## Definitions

Definitions are written using only 2,000 common words, so they are easy to understand, whatever your level. The most common meanings come first, so it is quicker to find the meaning you are looking for.

---

## Example sentences

Corpus-based examples show authentic English, and how words are used in context, to help you develop natural English.

---

## Thesaurus

Synonyms have definitions and example sentences, helping you expand your vocabulary

---

## Academic Word List

Words from the Academic Word List are highlighted to help you focus on learning academic vocabulary, so you can understand academic texts better.

---

## Collocations

Improve your fluency with the highlighted common word combinations and express yourself naturally.

---

## Grammar

Key grammar explanations help you write and speak correctly.

# Longman Communication

- Research shows you need to know roughly 9000 word families to understand a wide variety of authentic texts. Based on the latest research, Longman have now created a list of the 9000 most frequent words in English – the Longman Communication 9000.
- The Longman Communication 9000 has been developed from the Longman Communication, which features the 3000 highest frequency words and is still used in some of our dictionaries.
- The Longman 9000 represents the core of the English language. It shows you which words are the most important to learn for effective communication.

# Look inside

See how Longman Dictionaries are constructed to help teachers and learners understand and develop their level of English. On the opposite page is an example from the new, 6th edition of the Longman Dictionary of Contemporary English.

## Example signposts

### Frequency

The most important 9000 words to learn in English are highlighted in red. ●●● indicates the top 3000 words; ●●○ indicates the next most important words; ●○○ indicates the less frequent yet important next 3000 words.

### Spoken English

S1, S2 and S3 means that the word is one of the 1000, 2000 or 3000 most common words in spoken English.

### Written English

W1, W2 and W3 means that the word is one of the most common words in written English.

### Academic Word List

This label indicates that a word is included in the *Academic Word List*. These are important words to know if you are studying or are writing academic assignments.

### ev-i-dence<sup>1</sup>

### Part of speech

Words that have the same spelling, but have different parts, are listed separately and given different numbers. This is highlighted in the yellow circle above.

### 'evidəns

### Pronunciation

Pronunciation is shown using the International Phonetic Alphabet (IPA). If the British and American pronunciations are different, the British pronunciation is shown first and the American pronunciation has a dollar sign in front of it.

# evidence

610

**ev-i-dence**<sup>1</sup> /'evidəns/ ●●● **S2** **W1** **AWL** *n*

**1** [U] facts or signs that show clearly that something exists or is true: **[+of]** *At present we have no evidence of life on other planets.* | **[+for]** *There is no evidence for these claims.* | **evidence that** *Do you have evidence that this treatment works?* **THESAURUS** **SIGN**

**2** [U] information that is given in a court of law in order to prove that someone is guilty or not guilty: *Murrow's evidence was enough to convict Hayes of murder.* | *He refused to give evidence at the trial.* | **[+against]** *There was very little evidence against the two men.* | **in evidence** *The documents may be used in evidence at the trial.*

**3** **be in evidence** *formal* to be present and easily seen or noticed: *The police are always in evidence at football matches.* → **KING'S EVIDENCE, QUEEN'S EVIDENCE, STATE'S EVIDENCE**

## GRAMMAR: Countable or uncountable?

- **Evidence** is an uncountable noun and is not used in the plural. You say: *The judge listened to all the evidence.* ✗ Don't say: *The judge listened to all the evidences.*

**fresh evidence** (=new evidence) *There is fresh evidence that someone is guilty.* | *After a long delay, you're only now getting fresh evidence.*

**medical/scientific evidence** *There isn't any medical/scientific evidence to support the claim.*

**reliable/credible** (=which people can trust or believe) *Do you think their evidence is reliable?*

**flimsy** (=not good enough to make you believe something) *Their conclusions are drawn from some very flimsy evidence.*

**convincing/compelling** (=making you feel sure that something is true) *The data provides compelling evidence that the climate is changing.*

**overwhelming** (=when there is so much evidence that you are sure that something is true) *The evidence against him was overwhelming.*

**1** [C] something that is very bad or harmful: *She wanted to protect her children from the evils of the outside world.* | *Poverty is one of the greatest social evils of our time.* | *the evils of capitalism*

**2** [U] cruel or morally bad behaviour in general **(OPP)** **good**: *There is too much evil in the world.* | *the eternal struggle between good and evil* → **the lesser of two evils** at **LESSER:2**, → **necessary evil** at **NECESSARY:3**

**'evil-doer** *n* [C] *old-fashioned* someone who commits crimes or does evil things

**'evil-minded** *adj* *immoral and cruel, and likely to cause a lot of harm or damage: an evil-minded dictator*

### Larissa Petrova

KAZAKHSTAN

Methodology is very important to me:  
knowing what, how, when and where to  
teach techniques and tips to teachers are  
highly motivating in my profession.

In the day-to-day reality of a teacher’s hard-pressed life, it’s sometimes difficult to remember what teaching is really for!

I can still remember my first teaching practice in front of real students, it was terrifying! Like so many people I didn’t know even the basics, so where do you find that initial knowledge or develop your skills further?

Today teachers want books that are enjoyable, informative, fun and easy to read and we hope that’s what you’ll find here.

Just remember, even if you’re only half as good as most teachers are, something extraordinary will happen as you walk through the door and the teacher in you kicks in. It may not be the best lesson ever, nor the nicest group you’ve ever taught, but when the magic works, you suddenly know with a great sense of satisfaction exactly what teaching is for.

*Jeremy Harmer, Talks about Teacher Development*

The Practice of English Language Teaching

5th Edition

**Jeremy Harmer**

The Practice of English Language Teaching is the essential guide for teachers of English. It explains current pedagogy to teachers who want to access the most relevant ELT practices and incorporate them into their lessons.

The fifth edition has been revised to reflect the latest developments in language teaching. Twenty chapters provide a storehouse of information and ideas, whereas the DVD shows whole lesson progression and management, including interviews with teachers about how they structured their class and why.

The material addresses new topics such as the rise of CLIL, flipped classrooms, learner efficacy as well as the development of soft skills like critical thinking, intercultural competence, presentation skills, digital literacies and other 21st century skills.

Essential theory, practical teaching advice and classroom ideas are all presented across two page units, in full colour. Written in accessible English, *Essential Teacher Knowledge* is ideal preparation for Teaching Knowledge Test (TKT) and other entry-level teacher qualifications or as a handbook for any EFL teacher.

Also included in the book are:

- A DVD showing key teaching techniques and teachers from around the world sharing opinions and ideas about key issues for the global English teaching community
- PIN-coded access to extra online material

The impact Pearson has on society is exponential. By training teachers, Pearson indirectly reaches many students, creating an endless chain of learning.

Research shows that teacher quality is the single most powerful influence on student achievement. Studies have shown that teacher success can be fostered through professional development that is sustained, connected to practice, focussed on academic content and supportive of strong working relationships among teachers.

#### NO COPYING, SINGLE OR MULTIPLE, OF RECORDINGS IS PERMITTED.

The law allows for a reader to make a single copy of part of a book for purposes of private study. It does not allow the copying of entire books or the making of multiple copies of extracts.

Under no circumstances may schools photocopy materials for use in self-access centres, unless they have registered with CLA or an associated licensing agency and allow/use photocopying strictly in accordance with their regulations. If a school wishes to have multiple copies of a part of a book in a self-access centre, then it must purchase the necessary number of printed books. There is no formal objection to schools physically cutting printed texts into parts and reassembling them in a way that seems appropriate, providing the books or parts of books are not then resold. It is not, however, a practice we would recommend.

In the case of audio recordings, it is permissible for a school to make a copy of an audio CD or file, keeping the original as a back-up. Only one copy may exist at any one time. As an example, a school may copy different parts of an original audio recording onto several CDs, providing that no part of the original exists in more than one copy at any one time. Therefore, if a school wishes to have three copies of one part of an audio recording, it must have three originals.

All the information contained in this catalogue is correct at the time of going to press (November 2016) and is subject to change without prior notice.

Where no CD-ROM specifications are given, please contact your local Pearson office.
